

## ADVANCED COURSE

COURSE REF  
**2025**

### INQUIRY BASED LEARNING

The ability to solve problems by asking questions, of both ourselves and the people around us, is a key competency in life. Encouraging students to ask questions, face challenges and discuss dilemmas are key weapons in the armoury of any good teacher. This very practical course will give delegates a firm understanding of how inquiry approaches can be used to both check and extend student learning. This course is designed to prepare teachers to be amazed by their students.

### COURSE CONTENT

- Teaching the art of questioning
- Changing the dynamic in the classroom
- Having fun with detection
- Dilemma led teaching and plenaries – crisis and calm
- Assessing understanding through the question not the answer

**THIS COURSE CAN ALSO BE RUN IN SCHOOL FOR ALL RELEVANT STAFF.
