EFFECTIVE GROUPWORK STRATEGIES

Group work is a fundamental component of competency based teaching. As India begins to incorporate the NCF into classrooms, the use of effective groupwork will become more vital. This practically based course will look at how effectively teachers can design activities, construct different groups, support the most and least able, as well as generating much more enjoyment in lesson content. Delegates will take away many tips and examples as well as understanding groupwork as a pedagogical approach.

COURSE CONTENT

- Why use groupwork
- Structuring groups to get the desired outcomes
- Tasks not only talking – managing behaviour in groupwork
- Informal and formal assessment of groupwork
- Using group roles to ensure full participation

**THIS COURSE CAN ALSO BE RUN IN SCHOOL FOR ALL RELEVANT STAFF.
