WORKING SMARTER NOT HARDER

This course will give attendees a number of tips on how to manage themselves better so as to reduce the impact of workload. Delegates will be shown planning techniques that remove needless repetition in their lesson planning as well as being shown how to deliver more exciting lessons whilst creating less work for themselves. The aim of this course is to give teachers more time within lessons to interact 1:1 with learners to increase learning.

COURSE CONTENT

- Long-term planning to reduce the lesson planning workload
- Time management within lessons to create impact
- Using resources to support time for interaction
- Using technology to enrich delivery
- Developing multi competency activities to deliver NCF

**THIS COURSE CAN ALSO BE RUN IN SCHOOL FOR ALL RELEVANT STAFF.
