PLAY AND ACTIVITY BASED LEARNING

This course for Primary and Pre-Primary teachers will give attendees a number of key activities and approaches that they can use immediately in their classrooms. The course will show how learning and progress can be encouraged and measured using play as the major input from the child. Delegates should take away a renewed enthusiasm for leading a classroom that has fun and excitement as the main features.

COURSE CONTENT

- Structuring activity for success
- Maintaining behaviour in play
- Mapping and assessing student progress
- Effective use of encouragement
- Students as resource – bringing out what they have to give

**THIS COURSE CAN ALSO BE RUN IN SCHOOL FOR ALL RELEVANT STAFF.
CONTACT THE OFFICE FOR MORE DETAILS.**

We hope that you enjoy your day and find your new skills useful upon your return to school.
