TEACHING USING THE NCF

This very practical course for both teachers and coordinators will provide key learning on how to deliver the NCF and how to be sure everything is covered. The focus of this course is how to plan whole years, schemes of work and individual lessons to ensure that, over time, each of the key competencies of the NCF are delivered with equal emphasis. Delegates will take away document templates that have been used across the world and help to reduce the administration workload seen in versions currently available in India.

COURSE CONTENT

- What are the major differences and challenges of the NCF
- Planning using competences not content
- Programmes of Study – the yearly plan
- Schemes of work and lesson plans – medium and short term
- Using assessment to inform planning

**THIS COURSE CAN ALSO BE RUN IN SCHOOL FOR ALL RELEVANT STAFF.
CONTACT THE OFFICE FOR MORE DETAILS.**

We hope that you enjoy your day and find your new skills useful upon your return to school.
