

## INTERMEDIATE COURSE

COURSE REF  
**1625**

### CREATING A COMPETENCY CLASSROOM (NCF 2)

The National Curriculum Framework for India is a major leap forward in preparing Students for life not just for examination. It does, however, require a completely different approach to teaching, focussing on skills and competencies rather than content and memory. This course is designed to help teachers to deliver lessons which meet NCF criteria and give themselves and their students the opportunity for more fun and experimentation in lessons.

### COURSE CONTENT

- What are the major differences and challenges of the NCF
- Creating competency based lessons
- Multi assessment tasks – the key to coverage
- Letting the students lead – groupwork and presentations
- Project based learning – cross-curricular approaches

**THIS COURSE CAN ALSO BE RUN IN SCHOOL FOR ALL RELEVANT STAFF.
