Lesson Planning – The Basics

Course Ref: 0225

Failure to plan is planning to fail. This course will empower delegates with an understanding and practical approach to planning their lessons. Incorporating best practices from around the world, delegates will see how the way they plan ensures positive measurable outcomes for both students and management. This course incorporates the NCF competency methodology as a means for delivering effective learning.

COURSE CONTENT

- ✓ Understanding what approaches the NCF makes compulsory
- ✓ Planning and communicating lesson objectives and outcomes
- ✓ Chunking activities to ensure progress
- ✓ Using mini plenaries to ensure learning is secure
- ✓ The process of working smarter not harder

This Course can also be run in school for all relevant staff.
